Dear Colleagues

It gives us immense pleasure to welcome you to

BMCON HAEM: Healing Through Haematology
15th – 17th August | Jaipur – The capital of Rajasthan

Organised under the aegis of Bhagwan Mahaveer Cancer Hospital & Research Centre, and supported by Indian Society of Haematology and Blood Transfusion BMCON HAEM is more than a medical conference - it is a collaborative platform for shaping the future of oncology.

As cancer remains one of the leading global health challenges, the field of oncology continues to evolve rapidly with breakthroughs in immunotherapy, genomics, AI-powered diagnostics, precision medicine, and personalized care. BMCON HAEM aims to bridge clinical practice with cutting-edge research, ensuring that patients benefit from the latest global advancements.

This three-day event in Jaipur brings together oncologists, researchers, medical practitioners, and industry pioneers to exchange knowledge, foster collaborations, and discuss solutions tailored to the Indian and global cancer burden.

We encourage you to actively participate in keynote sessions, scientific presentations, workshops, and networking events - and contribute to this shared mission of innovation and hope.

Warm Regards
Organising Committee
